

JANUIS[®] DISPLAYS

—by—
MORROW TECHNOLOGIES

One System. One Call. Endless Possibilities.

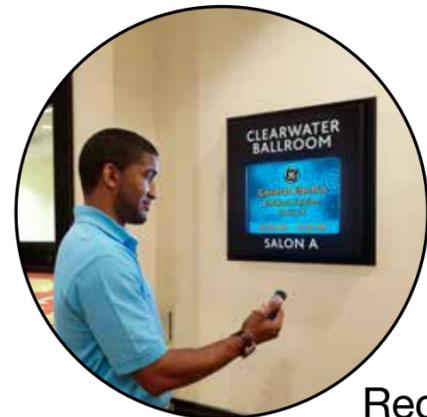

WE ARE DIGITAL SIGNAGE.

One System

Total solutions. When it comes to digital signage, it's what we do. One system supporting all components of your digital signage network and delivering a unified experience. One call is all it takes to handle everything you'll need, including sales, creative content and technical support.

Wall Mount

Recessed

Pulpit/Kiosk

Pedestal

Hardware

We take the "hard" out of hardware. The media controllers, displays, servers, and equipment we provide undergo thorough evaluations and testing, because we support what we sell over many years.

Software & Content

Our powerful VIZIA software manages and schedules the content out to all the different displays in your digital signage network with ease! Edit and update content through an easy drag-and-drop interface.

Work one-on-one with our design team to develop amazing, dynamic content for your displays. Choose custom or standard template themes, all created and designed just for you.

Framing & Enclosures

We offer enclosures that are beautifully crafted to complement your decor, and showcase eye-catching content designed just for you. Behind the scenes, they provide ventilation, hide display bezels, expose power buttons, and make it easy to access media controllers.

Support

Receive support when you want it, and get answers when you need them. You will always be greeted by one of our helpful US-based product specialists, who will handle software and hardware questions without redirection. JANUS Displays' customers receive their first year of service free of charge, with optional service packages thereafter.

Information Solutions

JANUS Displays offers management the ability to strengthen communication and engagement with guests through animated displays of events, wayfinding, maps, weather, dining, flight check-in, menu boards, advertising, directories and more.

ADVERTISING

PUT YOUR MESSAGE WHERE THE MONEY IS AND DRIVE REVENUE BY DRIVING TRAFFIC.

Use your digital signage system to help your ROI by charging local restaurants, shops, and attractions for the traffic you send their way.

DINING MENUS

THE INGREDIENT TO SUCCESS.

Retire your old menu board and showcase your best dishes, newly added items, and your award-winning menu, in a fun and eye-catching way. Replace your traditional menu boards with easily updated menu changes and digital content that is as decadent as your menu.

EVENTS

TIMING IS EVERYTHING.

By interfacing with your event management software, your digital signage system will always display relevant and up-to-date information. It will automatically update your entire digital display network whenever a change is made.

ANNOUNCEMENTS

NEED A DIGITAL BULLETIN BOARD?

Move away from dated, passive announcements, to an engaging, interactive media experience. JANUS Displays can take the place of traditional bulletin board announcements and paper fliers and provide a quick and easy way to display announcements, news and information. Emergency alerts and instructions can be shown on every display throughout your property instantly with a click of a button.

STATIC DIRECTORIES

EXTERIOR DISPLAYS & VIDEO WALLS

INTERACTIVE DISPLAYS

ROOM BOARDS

EASY TO UPDATE

IT'S ALL CONNECTED!

All our digital signage solutions use our VIZIA software that makes it quick and easy to update or change content to any and all displays at once, instantly.

The Power of Touch

The JANUS Displays Interactive touchscreen product line provides your guests with all the information they need, at the touch of a button.

FLIGHT & BOARDING PASSES

THE SKY IS THE LIMIT.

Allow your guests the convenience to check their flight status, check in, and print their boarding pass without ever leaving your lobby. Give them more time to enjoy your amenities or tour your beautiful property.

MOBILE FRIENDLY

THE POWER OF THE CONCIERGE BOARD IS NOW IN THE PALM OF YOUR HANDS.

With just the simple scan of a barcode using any smart phone or tablet, all your digital signage information will be available and ready on the go.

WAYFINDING

HELP THEM FIND THEIR WAY.

Confidently guide your visitors and guests through your property with JANUS Displays mapping and wayfinding, tailored specifically to your property. Show start and end points, draw the path, and provide directions. Send the directions to phones using email or an interactive mobile solution!

INTERACTIVE DIRECTORIES

FIND WHO YOU NEED TO FIND QUICKLY AND WITH DIRECTIONS.

JANUS interactive directories help your customers navigate through and connect with your business. At the touch of a screen, they can easily search, navigate and get directions to their destination, find your amenities or learn more about your facility. Enhance the experience with flight information, local area maps or access to your website.

DONOR BOARDS

HONOR THOSE WHO HAVE CONTRIBUTED TO YOUR SUCCESS WHILE INVITING OTHERS TO BECOME PART OF THAT SUCCESS.

Imagine the reaction you will get when your donors see their contributions recognized on a prominent digital Donor Wall display or Interactive Donor Directory. Video walls make a great companion to donor kiosks. You can thank all your donors, all the time. Changes are instant and easy.

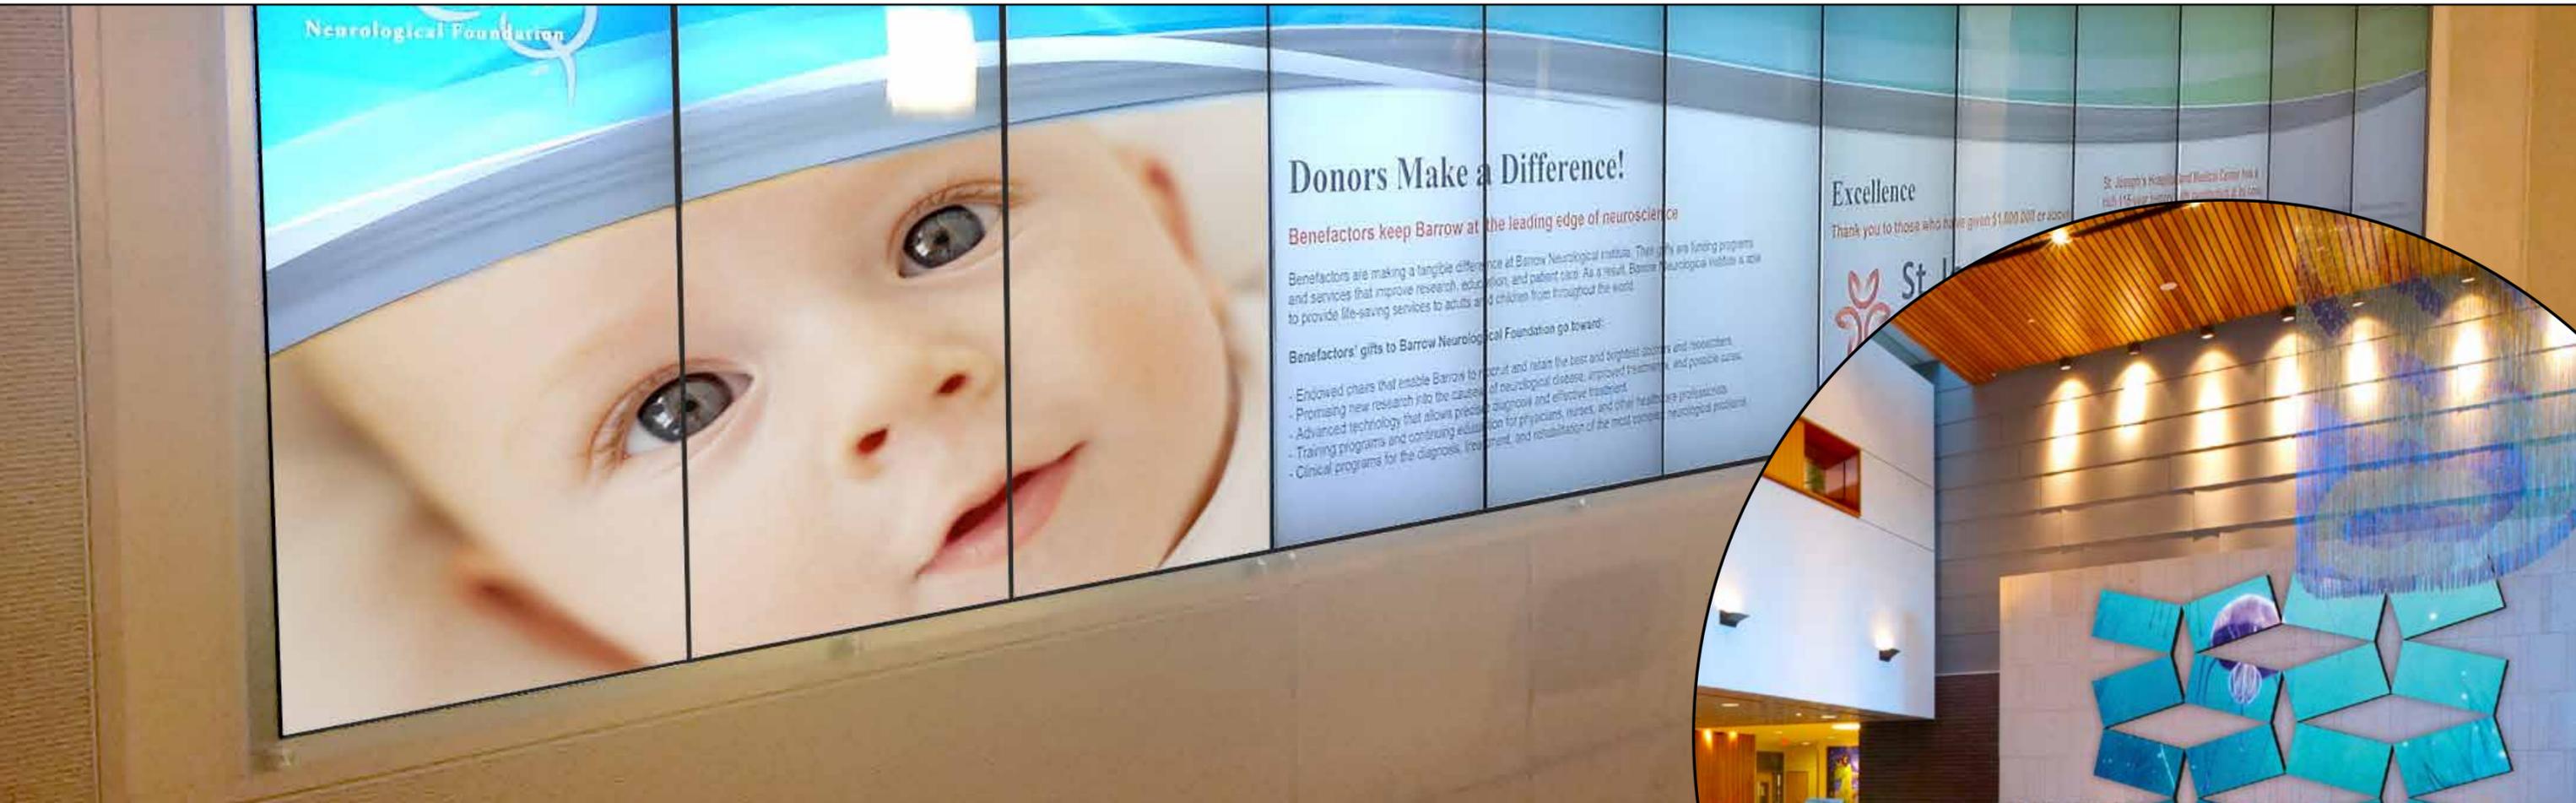

Instant Donations

Expand on the experience by offering visitors the opportunity to be new donors quickly and easily with our QR codes.

EPIC Presence

Take your guest experience to a new level with JANUS Displays video walls. Display live video, show meeting schedules and promote your business, while entertaining and impressing your guests!

VIDEO WALLS

ENTERTAIN YOUR AUDIENCE,
SHARE IMPORTANT INFORMATION
AND PROMOTE YOUR AMENITIES.

Whether it's an all encompassing video wall that spans the entire room or a smaller video wall for a more intimate experience, JANUS Displays video walls transform the experience of your guests to a whole new level.

Video walls of any size or arrangement can be created.

ART & ARCHITECTURE

ANIMATE YOUR INTERIOR
AND BRING YOUR
DÉCOR TO LIFE.

Say good-bye to dusty frames and old paintings, and incorporate unique, eclectic digital art into your property. Dazzle passersby with color and animation, created specifically for you with custom content and video.

A Frame for Any Occasion...

ALL DESIGNS AVAILABLE FOR:

- WALL MOUNTS
- PEDESTALS
- PULPITS
- ROOM BOARDS

PRE-DESIGNED FRAMES & ENCLOSURES

OFFERING A MULTITUDE OPTIONS TO BEST SUIT YOUR NEEDS

We offer a number of pre-made frames & enclosures in various designs, materials and display options.

TRADITIONAL

Classical style with understated details of angles and curves. It's predictably perfect with rich wood or satin metal finishes.

CONTEMPORARY

This popular style focuses on simple, clean, and neat lines. It's a timeless look that will add a touch of class to your uncluttered decor.

MODERN

Clean, streamlined style that invites polished surfaces, strong geometric shapes, and asymmetrical environments.

Design It Yourself

Be the designer! Create your own frame with our new online design tool. Enjoy!

[Give it a Try!](#)

Our Online Design Tool showcases some of our standard styles, and makes it easier for you to imagine how a finish might look prior to making your purchase. Use the QR code above to give it a try!

...or Tailored to Your Aesthetic

CUSTOM FRAMING & ENCLOSURES

BLENDING SEAMLESSLY INTO THE DECOR.

At JANUS displays, we take the extra time and effort so that your display represents your venue in both the content and the framing and enclosure system. Branded colors, wood tones, logos, lighting systems and more can all be woven into your display system so that it matches and complements your venue in a way to promote your agenda.

The JANUS Difference

PROVEN LEADERS IN DIGITAL SIGNAGE

TRUSTED IN THE FIELD FOR
DEPENDABILITY AND EXCELLENCE.

Morrow Technologies has been delivering innovative digital signage experiences since 1984. The flagship JANUS Displays product line is designed to inform and delight guests and visitors at hotels, hospitals, military bases, universities, casinos and more.

JANUS Displays works hard to share a voice of experience, provide integrity in innovation, and be a trusted partner. That's who we are, and that transparency sets us apart.

For more than 30 years, we at Morrow Technologies have helped thousands of customers use our JANUS Displays products as a marketing and communications tool to help them engage with their customers and improve their customer relationships.
